

Technical Data of Synthetic Fiber Packing

Antileak Model No.	Product Name	Construction	Service Range		
			Max. Temperature	Max. Pressure	Max. Velocity
2700	Acrylic Fiber Packing	Braided from acrylic fiber yarn	<250℃	4MPa	12 meters/sec
2700 P	Acrylic Fiber Packing impregnated with PTFE	2700 impregnated with PTFE	<250℃	5MPa	12 meters/sec
2700 G	Acrylic Fiber Packing impregnated with graphite	2700 impregnated with graphite	<350℃	2.5MPa	20 meters/sec
2800	Novolid Fiber Packing impregnated with PTFE	Braided from synthetic heat stable kynol fiber and impregnated with PTFE dispersion	<250℃	8MPa	15 meters/sec
