

## Technical Data of Spiral Wound Gasket Strip Winding Machine

### ☆ Horizontal Type Spiral Wound Gasket Strip Winding Machine (Manual):

Descriptions: Spiral Wound Gasket Strip Winding Machine is used for making based type Spiral Wound Gasket.

#### Specifications:

1. Power: 0.4KW
2. Voltage: 380V
3. Dimensions: 1400×750×1250(mm)
4. Net weight: 380KGS
5. Working dimensions: 250mm–2500mm
6. Picture:
